Privacy and Terms

To create a Google Account, you'll need to agree to the [Terms of Service](#) below.

In addition, when you create an account, we process your information as described in our [Privacy Policy](#), including these key points:

Data we process when you use Google

- When you set up a Google Account, we store information you give us like your name, email address, and telephone number.
- When you use Google services to do things like write a message in Gmail or comment on a YouTube video, we store the information you create.

You're in control of the data we collect & how it's used

- When you search for a restaurant on Google Maps or watch a video on YouTube, for example, we process information about that activity – including information like the video you watched, device IDs, IP addresses, cookie data, and location.
- We also process the kinds of information described above when you use apps or sites that use Google services like ads, Analytics, and the YouTube video player.

Why we process it

We process this data for the purposes described in [our policy](#), including to:

- Help our services deliver more useful, customized content such as more relevant search results;
- Improve the quality of our services and develop new ones;
- Deliver personalized ads, depending on your account settings, both on Google services and on sites and apps that partner with Google;
- Improve security by protecting against fraud and abuse; and
- Conduct analytics and measurement to understand how our services are used. We also have partners that measure how our services are used. [Learn more](#) about these specific advertising and measurement partners.

Combining data

We also combine this data among our services and across your devices for these purposes. For example, depending on your account settings, we show you ads based on information about your interests, which we can derive from your use of Search and YouTube, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

You're in control

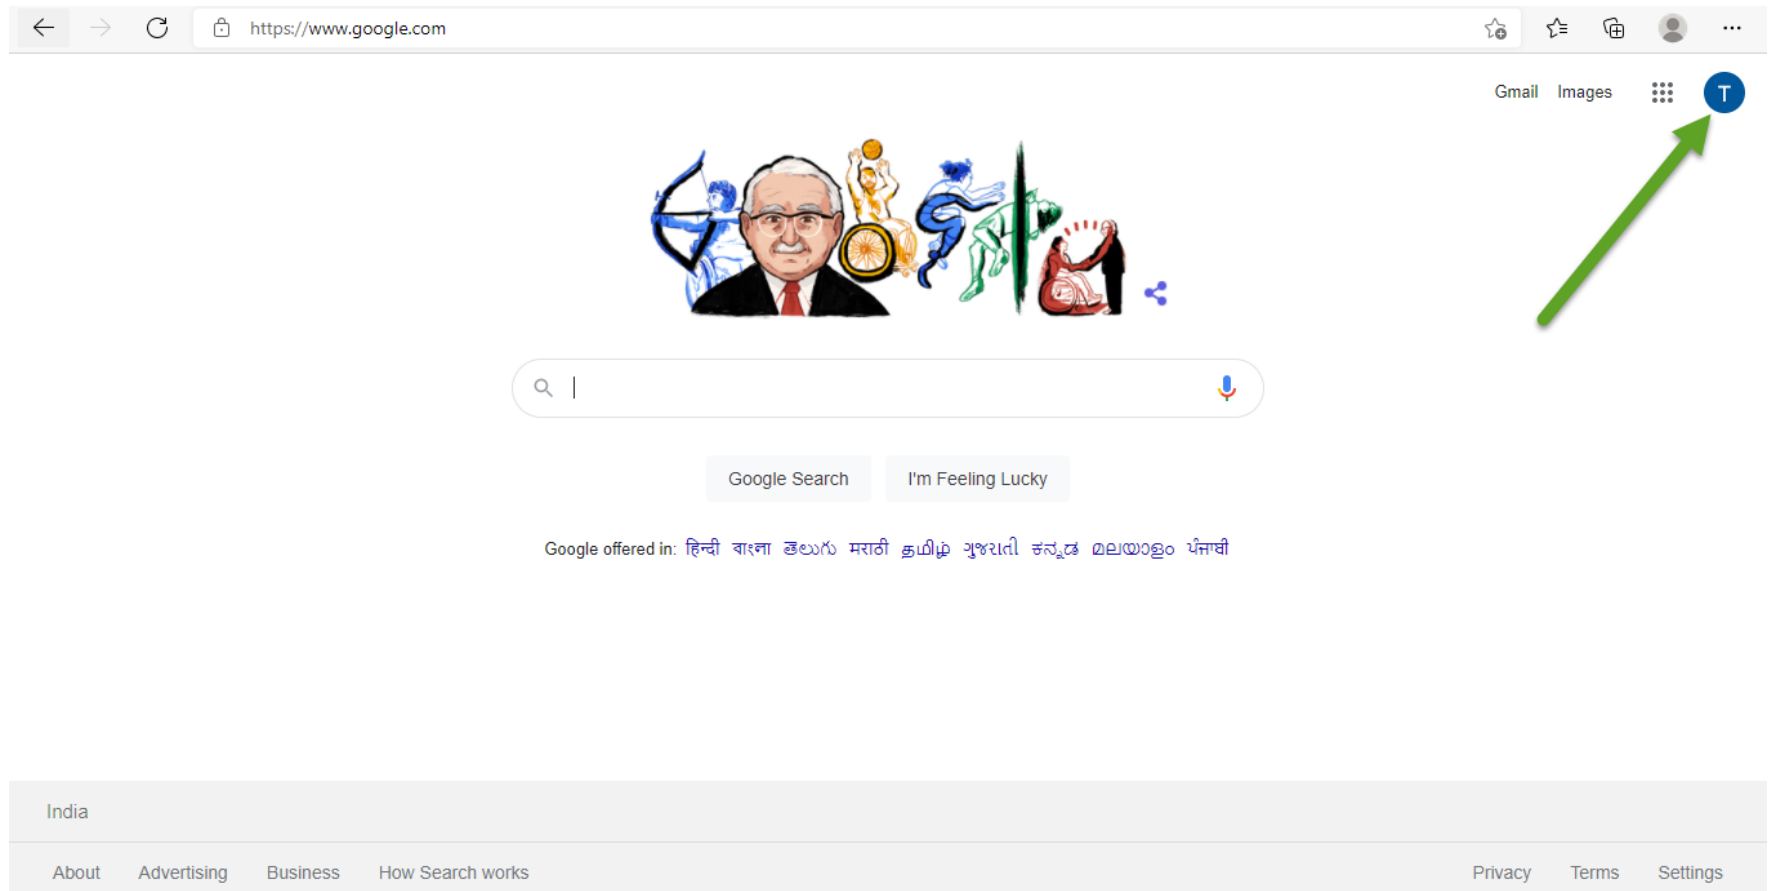

Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data now by clicking "More Options" below. You can always adjust your controls later or withdraw your consent for the future by visiting My Account (myaccount.google.com).

Set the following under “channel customization”.

The screenshot shows the YouTube Studio interface for channel customization. The browser address bar displays `https://studio.youtube.com/channel/UCe_rOXIVo-5mZCqDZz3Aerw/editing/images`. The top navigation bar includes the Studio logo, a search bar, and buttons for help, create, and user profile. The left sidebar lists navigation options: Dashboard, Content, Playlists, Analytics, Comments, Subtitles, Copyright, Monetization, Customization (highlighted with a red arrow), Settings, and Send feedback. The main content area is titled "Channel customization" and has tabs for Layout, Branding (selected), and Basic info. At the top right of this area are buttons for "VIEW CHANNEL", "CANCEL", and "PUBLISH".

Under the "Branding" tab, three sections are visible, each with a red arrow pointing to it:

- Picture**: "Your profile picture will appear where your channel is presented on YouTube, like next to your videos and comments". It shows a circular profile picture with the letter 'T'. To the right, it says: "It's recommended to use a picture that's at least 98 x 98 pixels and 4MB or less. Use a PNG or GIF (no animations) file. Make sure your picture follows the YouTube Community Guidelines. [Learn more](#)". Below this is an "UPLOAD" button.
- Banner image**: "This image will appear across the top of your channel". It shows a placeholder image of a laptop and a smartphone with a red banner across the top. To the right, it says: "For the best results on all devices, use an image that's at least 2048 x 1152 pixels and 6MB or less. [Learn more](#)". Below this is an "UPLOAD" button.
- Video watermark**: "The watermark will appear on your videos in the right-hand corner of the video player". It shows a placeholder for a watermark image. To the right, it says: "An image that's 150 x 150 pixels is recommended. Use a PNG, GIF (no animations), BMP, or JPEG file that's 1MB or less.". Below this is an "UPLOAD" button.
